

ALS / SLS, Project Manager, Lloydminster, AB

Global Raymac Surveys is seeking an experienced geomatics professional ready to join our growing Branch Office in Lloydminster. Reporting to the Branch Director, the successful candidate will manage a variety of oil and gas related projects as well as, but not limited to, projects in the industrial and municipal sectors. The individual will join a growing and dynamic team oriented atmosphere that will provide a challenge daily.

Qualifications

- ALS or SLS Commission or Prepared to begin or in the articling process
- CLS Commission would be an asset
- Strong communication skills
- Proven client and service orientation
- Strong time and project management skills, able to balance and deliver multiple and conflicting priorities
- Active and able to support and represent GRSI within the local business community
- Able to provide and take direction in a virtual environment
- Proven ability to leverage technology and virtual communication tools

The compensation package for this position will be commensurate with the level of responsibility of the position as well as the candidate's qualifications.

If this opportunity is of interest to you, please apply in confidence to careers@globalraymac.ca and quote opportunity code **L-PM-001**.

Please note only candidates selected for an interview will be contacted.

Global Raymac is a creative, multi-disciplined company with a respectful culture that inspires our employees while engaging in sustainable practices and delivering exceptional value to our partners.

Global Surveys was founded in 1986 and Raymac Surveys in 1978, with both companies firmly establishing themselves in the fabric of Alberta's Land Surveying community. After serving the Energy and Municipal sectors across the province for more than 25 years, the companies joined forces in 2010 to form Global Raymac Surveys and we haven't looked back since!
