

With a solid Canada-wide presence, Altus Group is strengthening its core team to meet the demand for unparalleled expertise.

Altus Group Manitoba Land Surveyors are now accepting applications for a **Manitoba Land Surveyor / Branch Manager**

WHAT WE OFFER CLIENTS

With over 320 employees in 14 offices across Canada, Altus Group's Geomatics Division provides integrated Field Surveys, Mapping, Remote Sensing (LiDAR/3D Laser Scanning), Land Use Planning, Environmental Consulting and GIS (Data Solutions and Systems) services to the energy, forestry and construction industries in Western Canada. We value achieving a level of service that anticipates, understands and exceeds our clients' expectations.

WHAT WE OFFER EMPLOYEES

Joining our collaborative team means working with the industry's best. We are proud of our company culture where the emphasis is on supporting each other in a passionate, team environment, keeping us a measure above. Our commitment to job safety is unparalleled. Our excellent compensation package includes an industry competitive benefits package. We encourage promotion from within our organization and offer professional development support to grow your skill set and advance your career with Altus Group.

WHAT YOU'LL DO:

As the **Branch Manager** in our **Winnipeg, MB** office, in a **Safety Sensitive Position*** and key member of our Management Team, you will play an integral role in our growing and managing our business operations.

- Implement and enforce company policies
- Recruit, retain, develop, train and mentor office and field staff to enhance current and future capabilities
- Conduct performance assessments and provide constructive feedback to staff
- Manage the branch with a strong emphasis on the overall corporate goals of growth and diversification

WE'LL MEASURE SUCCESS BY HOW YOU:

- Demonstrate commitment to our safety culture by actively participating and following all policies and procedures
- Ensure staff work meets appropriate quality and production levels to meet client expectations
- Develop and coordinate business development activities to generate and acquire local business leads
- Build and nurture client relationships to identify and further develop opportunities with our clients
- Implement and enforce company policies
- Understand all regulatory and technical requirements for your projects

WHAT YOU'RE SKILLED AT:

- Demonstrate effective leadership resulting in exceptional people management and relationship building skills
- Ability to work in a fast paced environment with a strong work ethic
- Collaborative attitude, with the ability to excel in a team and independent environment
- Commitment to client satisfaction through problem solving
- Excellent communication (verbal and written), interpersonal and conflict resolution skills
- Goal orientation with a drive to exceed expectations
- Superior attention to detail to produce high quality deliverables
- Ability to manage time and priorities effectively, results oriented
- Demonstrate success in business development and fostering long-term client relationships
- Substantial project management experience with demonstrated ability to deliver projects on time and budget
- Being an effective decision maker
- Technical, mathematical, scientific and computer skills and aptitude

WHAT YOU'VE DONE

- Obtained a Geomatics Diploma or Degree
- Earned an MLS commission with CLS an asset
- Previous Branch Manager experience an asset
- Hold a Class 5 driver's license (driver's abstract required at your expense)

Closing Date: **Until a suitable candidate is found.** Please include a cover letter with your resume. You must be eligible to work in Canada. Only those selected for an interview will be contacted. Thank you to all applicants in advance.
