SIMS ASSOCIATES

LAND SURVEYING LTD

SURVEY TECHNOLOGIST

Sims Associates Land Surveying Ltd. is a privately-owned land surveying and land development consulting company based in Qualicum Beach, British Columbia. Since its inception in 1983, Sims has provided a wide variety of services ranging from new home construction and renovations to large scale subdivision and strata projects. We work with builders, developers and the public in the mid island area, as well as in Port Alberni, Ucluelet and Tofino.

We have an immediate, full time position available for a Survey Technologist. Ideally, applicants will have experience in legal, topographic and construction surveys.

QUALIFICATIONS:

- Prefer diploma or degree in a survey/geomatics program
- Experience preferred but not necessary for the right person
- Field work including cadastral, engineering, topographical and construction surveys
- Assists with various survey equipment including total stations and GNSS receivers
- Comfortable working outdoors in all types of weather as well as construction settings
- Ability to work as a team member
- Complete projects under the supervision of a BCLS
- Fluency in both written and spoken English
- Valid BC driver's licence

Qualicum Beach enjoys a temperate climate, a charming, small town atmosphere, and a variety of beautiful beaches, golf courses and hiking trails. Ideally located within two hours of Tofino and Victoria, it is a great place to raise a family. Courtenay/Comox and the Mount Washington ski area are less than an hour away. Daily commercial flights are available from Qualicum Beach and Nanaimo airports, with additional seaplane and helicopter flights operating out of Nanaimo. Vancouver is accessible via two ferry routes.

Please reply in confidence with a cover letter and resume to Michael A. Sims, msims@simssurvey.ca

We appreciate the interest of all applicants, however, only those selected for an interview will be contacted.
