Darci shares her insights and ideas on using Focus on the 90% to become a stronger leader:

- How to be an inspiring reminder of the power of positivity in our daily life
- How important it is to realize that we cannot control what happens around us but we can control our reactions.
- Realizing the power of seeing others through a 90% lens and how it is the only way to build positive culture.
- Understanding why it is so easy for you, those you work with and those you lead to be dragged down by negatives.
- Learning how to evaluate and look at the choices you make and how they ripple out to those around us.
